Subject: - Inviting Participation for Spring Fair,” from 01st to 04th February 2026 in Birmingham, United Kingdom

Dear Sirs

Carpet Export Promotion Council invites applications from registered member exporters for Spring Fair,” from 01st to 04th February 2026 in Birmingham, United Kingdom.

UK’s Spring Fair puts the most sought-after products, suppliers and creative thinkers under one roof. UK’s leading wholesale marketplace for home, gift and fashion, showcasing fantastic new products from the best brands in retail. Spring Fair is an experience the internet can’t provide – giving you the opportunity to make valuable connections and to touch, feel and see the latest products in person.

The recently Signed UK–India Free Trade Agreement (FTA) is expected to provide a significant boost to the Indian handmade carpet industry. The UK has traditionally been one of the key destinations for Indian handmade carpets, and the FTA is likely to enhance market access by reducing or eliminating existing customs duties and trade barriers. This will make Indian carpets more competitive in terms of pricing, helping exporters expand their footprint in the high-value UK market
